

Environmental Policy Statement

The Environmental Policy of Bay Building Services Ltd ("the Company") is to ensure so far as it is reasonably practicable that its operations will be carried out with a commitment to protecting and enhancing the environment.

The Management of the Company recognises that our activities have an environmental impact and in developing this policy we seek to confirm our commitment to manage environmental issues properly.

This policy has the full support of the Directors in implementing this commitment to manage our environmental impact properly we will:

- Fully comply with environmental regulations / meet industry codes of practice
- Ensure that environmental considerations are integrated into our business decisions.
- Ensure that we use risk assessments in order to identify potential environmental risks to our businesses.
- Actively pursue opportunities to minimise the environmental impact of our operations, concentrating particularly on the use of energy, waste disposal, and water discharges.
- Seek to reduce wastage of building materials and to use the most environmentally efficient means of transport
- Use registered waste disposal companies, or licensed tips for the disposal of waste materials, particularly hazardous wastes
- keeping sites clean and tidy to ensure minimum disturbance and disruption to clients and neighbours
- Attempt to develop a wider understanding of environmental issues among our suppliers, Subcontractors and employees.
- Regularly review our policies to ensure that they remain properly aligned to the need to reduce waste and encourage the most effective utilisation of scarce resources.
- Responsibility for implementing this Environmental Policy Statement rests with the Directors.

This Environmental Policy Statement will be regularly reviewed and updated as necessary. The management team endorses these policy statements and is fully committed to their implementation.
